

2012 ADOPT A MILE

The 2012 Bike MS "Coast The Coast" Ride would like you to join us in helping support the mission by adopting a mile...pick one of 170 miles to display your company name, family name or team name. We will display your personal sign at a route mile marker.

To secure your personal mile marker before it's too late, simply complete this form and mail back to our offices by April 20, 2012.

Thank you in advance for your support!

PLEASE PRINT
