

The National Bike MS Passport Program

One hundred rides. One destination. A world free of MS.

Have a fantastic time riding with avid cyclists and meeting like-minded people that are passionate about creating a world free of MS - all while enjoying the challenging, exciting and inspiring Bike MS experiences throughout the nation!

As a National Multiple Sclerosis Society cyclist and a top fundraiser, cyclists from our chapter that have raised at least \$5,000 are eligible to become a member of the elite National Bike MS Passport Program! Through the National Bike MS Passport Program, members are eligible to attend many of the other Bike MS Rides throughout the nation!

Select from the several fabulous locations and rides available and attend as many of the **National Bike Passport Program Bike Rides** as you would like within one year from the New Jersey Metro Chapter Bike MS Ride (Some bike rides may have limited space, so we cannot guarantee a space for riders until availability has been confirmed by the host chapter.)

Members simply select a ride or several rides to participate in, send in a signed Bike MS Waiver and a \$50 registration fee per ride, and you're essentially on your way! (Members are expected to coordinate and pay for your own travel expenses, bike shipment, hotel accommodations, incidental expenses, etc.)

If you are interested in the National Bike MS Passport Program or would like some more information, please contact Jennifer Hivry at 201-967-5599 or Mary Beth Maclearie at 732-660-1005.
